

CITY HEALTH OFFICE

MA. CARMELA LACSAMANA-GO, M.D.
City Health Officer

VISION:

A healthy tomorrow for Tarlaqueños

MISSION:

To administer high quality, cost-effective care to individuals, support preventive and promotive health care program for community members, and maintain a supportive environment for health manpower development.

GOAL:

To improve the health status of the people of Tarlac City through preventive and promotive health care, community participation, available basic health services, accessible health care facilities, and clean environment.

PHILOSOPHY:

The City Health Office believes that life and health are primary goods. Together with the DOH, it has the responsibility of providing adequate and accessible care to the people.
